THIS IS Liberty Village

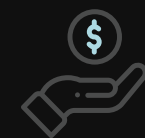

Over the last decade Liberty Village has emerged as one of Toronto's coolest neighbourhoods. It's where Toronto's best and brightest young talent live, work and play. Liberty Village functions as one of the city's creative corridors with production facilities, agencies and tech firms operating out of lofts and studio spaces in converted former warehouses. Bars, pubs, restaurants and cafes buzz with energy, especially on game nights at TFC's home turf, BMO field.
